

1000 Green Tractors! CM Maryam Nawaz's Vision for Sustainable Farming

Description

In Pakistan, Punjab Chief Minister Maryam Nawaz has launched an important initiative to help farmers in wheat cultivation. Under the "Grow Wheat, Earn Rewards" program, the Punjab government is distributing **1000 green tractors** and **1000 laser land levelers** among eligible farmers. Farmers can benefit greatly from this program. The aim of this initiative is to increase wheat production in Pakistan, promote sustainable farming and ensure food security. The **Grow Wheat, Get Reward** program is a **great opportunity** for farmers to maximize crop production.

The initiative involves a **lucky draw (balloting)** by the government on **March 24, 2025**, when one lucky farmer will win a free tractor for their devotion to wheat cultivation. The balloting will be open and above board, giving equal opportunity to all registered candidates. This scheme is likely to bolster **wheat production in Punjab** and go a long way toward providing financial and **technical help** for the diligent farmers.

1000 Green Tractors Punjab CM "Grow Wheat, Earn Rewards" Program

For the first time in history, the **Punjab government** has launched the **Grow Wheat, Get Rewards** program, which will provide rewards to farmers who cultivate wheat. The program is designed to encourage and **financially support** farmers by providing **modern agricultural machinery**.

Key Features of the Program:

Farmers cultivating **12.5 to 25 acres of wheat** will receive **1,000 laser land levelers** on a **subsidized lease basis**.

3/4 Farmers cultivating more than 25 acres of wheat will be eligible for 1,000 free green tractors to enhance their productivity.

The selection of deserving farmers will be conducted through a transparent balloting process to ensure fairness and equal opportunity.

Empowering Farmers for a Sustainable Future

The initiative led by CM Maryam Nawaz reflects the Punjab government's commitment to modernizing agriculture and uplifting the farming community. By providing **free tractors and laser land levelers**, the government aims to:

Boost Wheat Production & Cut Import Dependency Strengthen local agriculture and reduce reliance on imported grains.

Promote Sustainable Farming Equip farmers with modern machinery for efficient and eco-friendly cultivation.

Enhance Soil Fertility & Conserve Water Utilize advanced land leveling techniques to improve soil health and optimize water usage.

Lower Farming Costs & Increase Profitability Support hardworking farmers by reducing expenses and maximizing their earnings.

How to Apply?

Farmers wishing to benefit from the **Grow Wheat, Get Reward** program can register through the official website of the **Punjab Agriculture Department** or visit their **nearest agriculture office for guidance**. The application process is simple and transparent, ensuring that all eligible farmers can participate. Farmers can benefit greatly from this program and produce more food by cultivating more crops.
