Why digital transformation matters

Convenience Now there is no need to travel far or stand in long lines. Money is received directly through Jazz Cash, Easy Paisa, or Pakistan Post.

Security Money is received only through verified mobile wallets or biometric post offices, reducing the chances of fraud.

Transparency Every transaction record and SMS alert is received immediately.

Financial Convenience Mobile wallets allow women to pay bills, save, and send money easily.

Interest-Free Loans Interest-free loans are also available to needy women.

In summary, this change is not just a new way of providing stipends, but also a means of giving women financial freedom and autonomy.

Who can receive digital payments?

Eligibility for Kafalat Program Currently, only needy people are eligible if they meet the following conditions:

Valid Identity Card Must have a valid ID card.

Registered Mobile SIM Must have a mobile SIM registered in their own name.

District Residence Must live in a district included in the digital rollout fee.

Payment Method Agreement Must agree to receive payments through Easypaisa, Jazz Cash, or Pakistan Post.

How to receive BISP 8171 digital payments

Option 1: Link your JazzCash or Easypaisa account, or create a new one with the help of Mobile Violets BISP. You will receive an SMS notification as soon as the money is deposited.

Methods for Withdrawing Funds:

Mobile App: Pay bills, visit the nearest Violet agent, or ATM. You can also send money or save.

Option 2: Go to the nearest post office and receive the stipend.

Biometric Verification: ID card and fingerprint verification are mandatory.

Direct Deposit: The money is deposited and can be received immediately.

No Middleman: The beneficiary receives the money directly.
