

BISP Shifts to Direct Bank Transfers for Women from August 14, 2025

Description

BISP Shifts to Direct Bank Transfers

The **Government of Pakistan** has introduced a new method of **disbursing money** under the **Benazir Income Support Program (BISP)**. From **August 14, 2025**, eligible **women** in selected **urban areas** will have their **stipends** directly **deposited into their bank accounts**.

This **direct bank transfer** system will make the **payment process** safer, faster, and more transparent, giving **women** complete **control over their money**. There will be **no interest** on the funds at all.

The new system, called **Direct Payment Receipt**, allows BISP to send money directly to the **personal bank accounts** of **registered women**, eliminating **cash payments** and dependence on **third parties**.
