

BISP Survey Update June 2025 Deadline & Unverified Regions

Description

BISP Survey Update Income Support Program has been announced. The government has said that all those who want to benefit from this program or are receiving financial assistance before it must complete their survey before June 2025 because this survey is very important. This also helps the government know who is really eligible or deserving for this assistance. If anyone has not yet submitted their information etc. or has not completed it on their own, they may be deprived of financial assistance.

Those whose data is not complete in the system have not received any confirmation message from BISP. Go to your nearest BISP office and complete your survey. Do this before June 2025. Those whose names have been removed from the list may be deprived of this assistance.

BISP Survey Update: What You Need to Know

The BISP team is updating the national database to check who still qualifies for support. If you haven't verified your information or never took part in the survey, now is the time to act. Families in unverified regions must visit their nearest **BISP office** or **NSER survey center** before the end of **June 2025**.

Unverified Areas in Remote and Tribal Regions: Check If You Are Included

Many areas in remote and tribal regions are still marked as unverified. Here are some examples:

• **Balochistan (rural parts)** Remote and hard-to-reach villages

¾ **South Punjab** Low-income agricultural zones

• **Interior Sindh** Inner towns and underserved communities

• **Tribal districts of KPK** Mountainous and tribal border regions

If your area is listed or you didn't get a confirmation message from BISP, you may still be unverified.

Final Deadline June 30, 2025

All pending surveys must be completed before **June 30, 2025**. After this date, unverified families will not receive financial aid under the program. Make sure to bring:

• **CNIC (Computerized National Identity Card)** For identity verification

• **B-form for children (if applicable)** To register dependents

• **Utility bill copy (for address proof)** Electricity, gas, or water bill

How to Check Your BISP Verification Status?

You can easily check your BISP status by:

• **Sending your CNIC number to 8171 via SMS**

• **Visiting the BISP official website**

• **Going to your nearest BISP Tehsil Office**

Important Message for Beneficiaries

If you are already receiving money from BISP, then this new survey is still very important. Don't ignore it. Some people's money has been stopped because their information has to be re-checked. You should also quickly take the survey so that there is no problem with your money being stopped. Go to the nearest BISP office, get your data corrected, and continue receiving money every month with peace of mind.

Conclusion

BISP Survey Update The new survey of the Benazir Income Support Program is a great opportunity for you to join this program and get financial assistance. If you have already received assistance, then doing this survey will also ensure that your name remains in the first list and will remain so. This is very beneficial for you and your family. Therefore, do not wait for the last word. Most people are late and then due to the rush, they do not get their work done. It is better that you go to your nearest BISP center and complete the survey and get financial assistance.

FAQS

1. What is the purpose of the BISP Survey Update?

The BISP Survey Update aims to verify and update the national database to ensure that only eligible families continue to receive financial support.

2. How can I participate in the BISP Survey Update?

If you live in unverified areas or have not taken part before, you must visit your nearest BISP office or NSER survey center before the end of June 2025 to verify your information.

3. What regions are affected by the BISP Survey Update?

Many remote and tribal areas, including rural Balochistan, South Punjab, interior Sindh, and tribal districts of KPK, are still unverified and need to complete the survey update.

4. What happens if I miss the BISP Survey Update deadline?

Failing to verify your information during the BISP Survey Update may result in losing eligibility for BISP support and removal from the program.
