## What is the CM Punjab Laptop Program

The Chief Minister of Punjab introduced the **Laptop Program during the 1st & 2nd Semesters**, offering laptops equipped with **13th-generation Core i7 processors** to students who **achieve 65% or higher in their studies**, thereby raising educational standards. This initiative, known as the **CM Punjab Laptop Scheme 2025 last date**, is a significant effort by the Punjab government to assist students both academically and in their future careers by providing them with free laptops. The program aims to accomplish the following through its laptop distribution:

Boost digital skills for students.

The system needs to provide access to online learning materials.

Foster research and creativity.

The program should aim to bridge the tech gap between urban and rural students.

Boost digital skills for students.

The system needs to provide access to online learning materials.

Foster research and creativity.

The program should aim to bridge the tech gap between urban and rural students.
