

CM Punjab Pehchan Program: Skill Training Opportunity for Transgender Individuals ?? Apply Now

Description

CM Punjab Pehchan Program. The Chief Minister of Punjab has taken a good step for transgender people. Under the Pahajan program, they will be taught free skills so that they can work and earn their livelihood and live with dignity.

With the help of CM Punjab's recognition program, transgender people will be provided with the best employment opportunities so that they can live a respectable life in society. Often, transgender people do not get jobs due to social attitudes, but this program gives them hope for a better future.

Under the Chief Minister Punjab Pahaan Program, people are given opportunities to learn various skills so that they can get good jobs and improve their future. The aim of this program is to help people live a happy and dignified life. The Transgender Pahaan Program is a special six-month project designed for transgender people so that they can learn various skills without any fee and get better employment for themselves.

Through the Chief Minister Punjab Recognition Program, they will be specially taught all the necessary skills. After completing the training, they will also be given a government certificate that will help them get a job or start their own business. The Chief Minister of Punjab is providing a golden opportunity to Fawad Rao so that he can make his future better and secure.
