What's officially announced?

Punjab has earmarked Rs600 million to place 1,000 fresh vets and para-vets across all 36 districts. DVM graduates will receive Rs60,000/month, while para-vets and livestock assistants will get Rs40,000/month. The goal? Boost milk and meat yields and bring animal healthcare to villages fast. These figures come from recent government briefings and national media reporting.

Program Overview

This internship program is overseen by the Livestock and Dairy Development Department Punjab and provides valuable opportunities for veterinary professionals. For details on related initiatives, see CM Punjab Veterinary Internship Program 2025.

A program that also supports the development of youth in the youth sector.
