Apply for Prime Minister Laptop Scheme Phase 4 Easy Guide to Verify Your Email and Mobile Number for HEC

Before you complete your HEC application, you need to verify your email and mobile number. Follow these easy steps to make sure your contact details are correct.

Update Your Academic Information

Make sure you read the eligibility rules and update your academic records with the latest information before applying.

Things to do:

• **Check the eligibility criteria carefully.**

• **Update your academic data** on the portal.

• **Enter only your correct and current information.**

• **Save the changes after updating.**

cmschemegovt.pk

4. Make Sure to read Eligibility Criteria before applying & update your Academic information by entering your current academic data.
5. On next page enter your information for **Contact Verification**. Add your **mobile number** and **email address** to verify them, as shown in below picture.
NOTE: If your Mobile Number or Email is now changed, you can enter your current data as well, else you may proceed with your existing mobile number & email as well.

The screenshot shows a web form with three main sections:

- Email:** A text input field with a red asterisk, followed by a blue 'Verify Email' button. A note says 'Enter email and click on verify email'.
- Email verification code:** A text input field with a red asterisk, followed by a blue 'Verify' button. A note says 'Enter recieved code via email'.
- Enter Captcha:** A checkbox labeled 'I'm not a robot' with a red arrow pointing to it and the text 'click captcha'. Below it is a blue 'Submit' button with a red arrow pointing to it and the text 'click here for submit'.

6. Enter your **valid personal mobile number** to receive verification code on mobile. Type your number then click on **send code** button. A pop up will appear on screen to confirm that code has been sent to your mobile number. Click **OK** to close the popup, as shown in below picture.
NOTE: If you face any delay in receiving your mobile code, make sure to not use a converted number e.g., Telenor sim converted to Jazz Network etc. Code will be received within 5-10 minutes so, do wait.

The screenshot shows a confirmation message: 'Verification Code Sent Successfully' with a blue 'OK' button. Below this, there are two tabs: 'Academic Information' (which is selected) and 'Contact Verification'.

7. For Email verification Code, open your mailbox and check both **Inbox** as well as **Spam folder** to find email from HEC containing verification code.

How to Verify Your Phone Number and Email Address

Follow these easy steps to complete your verification and submit your application successfully.

Step 1: Verify Your Phone Number and Email

After receiving the verification codes on your phone and email, you need to enter them in the given boxes and verify them.

Instructions:

• Enter your phone number in the Cell phone number box.

• Enter the code you received on your phone in the Cell phone verification code box.

• Click the Verify Code button to verify your mobile number.

• Enter your email and the code you received via email to verify your email address.

Step 2: Complete the Application Submission

Once your phone and email are verified, you can submit your application.

Instructions:

• Check the I'm not a robot Captcha box.

• Read the Disclaimer carefully.

• Agree to the terms by understanding the Disclaimer.

• Click the Submit button to finish your application.
