Goal and Importance of the Hara Bhara Scheme May 2025

The aim of the **Hara Bhara Scheme May 2025** is to **improve the weather** by **planting more and more trees** in the country, **reduce the heat**, and **reduce the pollution** in the country. Because today's **environment is very bad**, due to which the **heat has increased** and the **air is not clean**, the government has thought that **everyone will plant trees together** so that there is **shade** in the country and the country is full of **greenery**. The government says that if **Pakistanis plant even five trees**, then the whole of Pakistan can be **green and beautiful** and **cool breezes will blow**.
