Violation of Supreme Court Decision

- The petition states that **any kind of personal advertising** on **government buses** is **wrong**.
- It is **against the important decision** of the **Supreme Court**.
- The petitioners have stated that **action should be taken** against those **responsible**.
- They also demand that the **money spent on advertising** should be **recovered**.
- The petition requests the court to **order the Punjab Chief Secretary to remove all such advertising material** from the **buses**.

Punjab Government's Trackless Maryam Nawaz electric buses Project

The **Punjab government** has planned to run a **new trackless electric bus** so that people can travel **easily** and **modernly**.

Key Features of the Project

- **Chief Minister Maryam Nawaz** has directed the **Transport Department** to start testing this **new system of Automated Rapid Transit (ART)**.
- These buses are already **running successfully** in **Malaysia, Qatar, and Abu Dhabi**.
- Now this system is being **introduced in Punjab** as well.
- These **modern buses** will run on **public roads** in a **specific route**.
- There will be **no need** to build a **separate track** for them.

Eco-Friendly Initiative

- These **buses will run on solar energy**, which will keep the **environment clean** and **save fuel**.
- In the **first phase**, these buses will be operated in **Lahore, Faisalabad, and Gujranwala**.
- Later they will be **introduced in 10 more cities**.
