

Meri Awaz Maryam Nawaz Virtual Police 2025 Threat

Description

Meri Awaz Maryam Nawaz Virtual Police Launched Under the visionary leadership of Chief Minister Maryam Nawaz Sharif, Punjab has taken significant steps toward ensuring safety, security, and convenience for its citizens. From innovative virtual policing systems to smart city initiatives, these measures aim to create a safer and more inclusive environment for all, particularly women and minorities. Below is an overview of the key initiatives launched under her leadership.

Meri Awaz Maryam Nawaz Virtual Police is a revolutionary initiative that provides a 24/7 virtual police station for women. It allows women to report crimes, seek help, and get advice from trained female police officers. The system is designed to be user-friendly and accessible, ensuring that women can get help at any time and from anywhere. It also provides a platform for women to share their experiences and support each other. The initiative is a part of the government's commitment to women's safety and empowerment.

Meri Awaz Maryam Nawaz Virtual Police

To empower women and ensure their safety, the **Meri Awaz Maryam Nawaz Virtual Police Station**, was inaugurated on April 22, 2022. This system allows women to get help without having to go to the police station.

Women's Immediate Assistance System

- Women can dial 15 and press 2 to get immediate help.
- IT-trained female police officers provide assistance.
- This system ensures women's privacy, safety, and trust.

Virtual Center for Protection of Minorities

Established to safeguard the rights of minorities, this center plays a crucial role in reuniting missing children and elderly individuals with their families.

Key Features:

- Operates like a virtual police station.
- Emergency assistance available by pressing three buttons.
- The *Meesaq Virtual Center for Minorities* resolves issues efficiently, ensuring the protection of minority rights.

Smart City Projects

Under the vision of a safe Punjab, smart city projects have been launched across the province.

- **Phase 1:** Completed in Sheikhpura, Sialkot, Gujrat, Jhelum, Okara, Murree, and Attock.
- **Phase 2:** To be completed by 2025, covering Rahim Yar Khan, Bahawalpur, Multan, Sahiwal, and others.

Features:

- AI-based surveillance and environmental sensors.
- Air pollution monitoring in 18 cities.
- Aims to reduce crime rates and improve security.

Free Wi-Fi Service

First Phase: Available at 100 locations in Lahore.

Second Phase: Will be extended to Kasur, Sheikhpura, Nankana, and other areas.

Features:

- Emergency services available through Women Safety App, Punjab Police App, and WhatsApp.
- Emergency buttons to be installed at various places in the city so that immediate help can be provided.

AI-Based Traffic Violation System

Lahore has introduced an AI-based traffic violation identification system to ensure road safety.

Key Features:

- Automatic number plate recognition to identify violators.
- Challans issued with photographic evidence.

- Online challan details and payment options for citizens.

World Blood Bank Initiative

A trial-based World Blood Bank has been launched to assist citizens in need of blood.

Key Features:

- Dial a helpline and press four to connect with blood donors.
- Collaboration with universities and NGOs.

Working Women's Hostel

To support working women, a hostel has been inaugurated, offering safe and comfortable accommodation.

Facilities:

- Game area, daycare, library, and hall.

Al-Biruni School of Technology

This institution trains police officers in modern investigative techniques.

Key Features:

- Online courses on using technology to combat crime.
- AI-based training by Safe City experts.

Crime Stopper Initiative

Citizens can confidentially report crimes through the Crime Stopper helpline or Safe City website.

Reportable Crimes:

- Drug trafficking, terrorism, human trafficking, sexual crimes, gambling, and illegal weapons.
- Theft of gas and water.

Meri Pahchan Service

This service helps identify missing persons, mentally or physically challenged individuals, and unidentified bodies.

Key Features:

- Linked with NADRA's biometric data.
- Reunites missing persons with their families.

Conclusion

Under the leadership of Chief Minister Maryam Nawaz Sharif, Launched **Meri Awaz Maryam Nawaz Virtual Police** Station Punjab has witnessed transformative initiatives aimed at ensuring safety, security, and convenience for all citizens. From virtual policing and smart city projects to free Wi-Fi and AI-based traffic systems, these measures reflect a commitment to creating a safer and more inclusive society. These efforts not only empower women and minorities but also pave the way for a technologically advanced and crime-free Punjab.
