

Rs1 Lakh Reward for Bikers - Govt's New Scheme & How to Apply

Description

Rs1 Lakh Reward for Bikers is a great and very good scheme launched by the Punjab government, which aims not only to ensure the safety of motorcycle riding but also to enforce the traffic laws in the entire country. Through this scheme, all those citizens who travel wearing helmets and fully comply with the traffic laws will be given a reward of one lakh rupees. This scheme is specially designed for the youth who often ignore safety measures. The government has announced that the people should follow the traffic laws not only for their own sake but also through responsibility and awareness.

Therefore, these citizens will also be rewarded financially and a good example will be set for them, but they will also be known for their good behavior. A regular system has been created for this scheme in which CCTV cameras on the roads, traffic police surveillance, etc. will be selected.
