

Sindh CM Murad Ali Shah Launches Hari Card Scheme: Rs 28 Billion Support for Farmers

Description

Sindh Chief **Minister Murad Ali Shah** has introduced the **Green Card Scheme** to improve the lives of the people and help farmers. This program will provide financial assistance to the farmers of the province. The government has allocated **Rs28 billion** for this project to help farmers purchase good seeds, fertilizers and pesticides.

ہاری کارڈ اسکیم - ایک مختصر جائزہ
 سندھ مراد علی شاہ نے ہاری کارڈ اسکیم کا آغاز کیا ہے، جس کے تحت کسانوں کو براہ راست مالی
 سہولتیں مل جائے گی۔ حکومت نے اس منصوبے کے لیے 28 ارب روپے مختص کیے ہیں تاکہ کسان
 معیاری بیج، کھاد اور کیڑے مار ادویات خرید سکیں۔
 ڈیٹ کارڈ کی طرح ہوگا، جس پر حکومت براہ راست رقم بھیجے گی، تاکہ کسان قرضوں سے بچ کر
 ضروریات پوری کر سکیں۔ اس اسکیم سے چھوٹے کسانوں کو فائدہ پہنچے گا، زرعی پیداوار میں
 گاما اور معیشت مضبوط ہوگی۔ تاہم، حکومت کو یقینی بنانا ہوگا کہ فنڈز درست وقت پر مستحق
 کسانوں تک پہنچیں اور اس کا شفافیت کے ساتھ استعمال ہو۔
 اقدام ہے جو سندھ کے کسانوں کی زندگی بہتر بنانے اور زرعی شعبے کو ترقی دینے میں مدد دے گا۔

haripur scheme 2025

What is the Hari Card Scheme?

The **Hari Card** is like a **debit card** for farmers. Farmers can also buy **farming equipment** with the help of this card. The **government** will send money directly to this card, so farmers can use it to buy essential farming equipment without the need to take **expensive loans**.

Why is this Scheme Important?

Farming is very difficult for farmers in **Sindh**. Farmers face many difficulties, such as **high farming costs**, unpredictable weather, and **lack of financial support**. Many farmers borrow at high interest rates, which pushes them into debt.

The **Hari Card Scheme** helps by providing **direct financial assistance**, so farmers can **focus on farming** without worrying about money worries. This will help them grow more and better crops, which will lead to more food, a **stronger economy** and the country will progress.

Hari Card Scheme

Key Features	Description
Direct Money Transfer	No middlemen, farmers get money straight into their cards.
Easy to Use	Farmers can withdraw cash from ATMs or pay directly at selected shops.
Transparent System	Reduces the chances of corruption.
Helps Small Farmers	Many small farmers will benefit, improving their income and living conditions.
Boosts Agriculture	Farmers can buy quality seeds, fertilizers, and pesticides to increase crop yield.

Challenges & Solutions

To make this scheme successful, the government must ensure:

- Funds reach the right farmers on time
- Farmers understand how to use the Hari Card
- Regular monitoring to prevent corruption

Conclusion

The **Hari Card Scheme** is a major step towards helping farmers in **Sindh**. The financial assistance of **Rs 28 billion** will make it easier for farmers to grow crops and improve their lives. With these cards, farmers can easily buy expensive farming equipment. This **initiative** will strengthen the **agricultural sector** and in the long run, the entire country will benefit. The country's economy will **increase**. And the country will develop and food will also increase. And farmers can also expand their profession without any **tension**.
